

NEAR EAST UNIVERSITY

WHY NEAR EAST UNIVERSITY

Near East University combines academic success within a vibrant social environment, set in the most beautiful island in the Mediterranean. Founded in 1988, NEU is considered to be one of the most highly regarded academic institutions in the Middle East.

NEU offers a world-class education to over 27,000 students from over 102 countries. Our modern and aesthetically designed campus provides the perfect environment for our successful and forward thinking future graduates to pursue their goals. With 19 Faculties, 220 Departments, 5 Graduate Schools, 5 Vocational Schools and 28 Research Centres we offer a diverse selection of degrees that prepare our students for their careers. In addition to academic faculties, the University provides many other facilities including:

- Olympic Swimming Pool/Sports Centre
- Restaurants & Cafes
- Near East Hospital
- Grand Library
- Student Dormitories
- Innovation Centre - IBM Super Computer
- Hotel
- Near East Bank
- Tourism Centre
- College
- Junior College
- Nursery
- Preschool
- Animal Hospital

NEU is now the only academic institution in North Cyprus to offer education in both **Dentistry** and **Medicine**. Our hospitals - accredited by the Joint Commission International (JCI) for Clinical Excellence - are also the only facilities in the Middle East region that offer such a wide range of training and research opportunities.

NEU is dedicated to promoting academic achievement and provides several scholarship opportunities to students, especially for Departments that are instructed in English. As a result, many of our students gain the right to have scholarships and can enjoy the benefits of the extensive educational opportunities that NEU has to offer.
