There are over 250 eGates in place at 15 air and rail ports in the UK to enable quicker travel into the UK. Please take a look at the The Gov.UK webpage Guide to faster travel through the UK border which features a video showing how to use the eGates.</p> <p>Entering the UK via an eGate (Tier 4 Students) If you are a tier 4 student from one of the following countries: Australia, Canada, Japan, New Zealand, Singapore, South Korea, USA, then you can enter the UK via an eGate but this means that your visa will not be endorsed with an entry stamp by a member of the Border Force staff. If you chose to use an eGate it is very important that you keep evidence of your travel to the UK. This could be a boarding card, ticket or booking confirmation. You will be required to present your evidence of travel upon enrolment at UCLan in place of an entry stamp. This will provide evidence of your arrival in the UK.</p> <p>Entering the UK via an eGate (Short Term Study Visa Students) If you are entering the UK as a short-term student and you are from one of the following countries: Australia, Canada, Japan, New Zealand, Singapore, South Korea, USA, then you must NOT use the E-Gates at the airport as you will not receive a stamp in your passport. Instead, you should follow the sign for 'see an officer' so you can speak to a border force official and obtain your short-term student visa stamp. The UKVI have produced a document which you can print out and show on arrival to the UK to ensure that you are not directed to the eGates.</p>
